# ORGANIZATION OF CITY GOVERNMENT.

---

TUESDAY, January 7, 1890.

The members elect of the City Government for the municipal year of 1890, having met for organization agreeably to the provisions of the City Charter, the oath of office by law prescribed was administered to the Mayor-elect, Hon. HERBERT B. VIALL, by J. P. Wellman. After roll call by the City Clerk, His Honor Mayor Viall administered the oath of office to the following members elect of the Boards of Aldermen and Council, to wit:

## BOARD OF ALDERMEN.

- Ward 1. OSCAR J. HOWARD.
- Ward 2. EUGENE W. GREENWOOD.
- Ward 3. FRANK G. DORT.
- Ward 4. FREDERIC A. FAULKNER.
- Ward 5. GARRETT J. LANDERS.

## BOARD OF COMMON COUNCIL.

- Ward 1. JAMES B. KELLOGG.  
FRED H. WILSON.  
HERBERT A. DAVIS.
- Ward 2. LIBERTY W. FOSKETT.  
C. WILLIS MORSE.  
LOUIS M. RICHARDS.
- Ward 3. STEPHEN W. WILLIAMS.  
ELBRIDGE A. SHAW.  
HERBERT W. KEYES.

## CITY OF KEENE.

- Ward 4. FRANK W. NIMS.  
FRANK H. WHITCOMB.  
GALE C. SHEDD.  
Ward 5. CHARLES P. PITCHER.  
JAMES M. GOWDEY.  
GEORGE W. ZIMMERMAN.

Prayer was offered by Rev. L. B. Baldwin, after which the Mayor delivered his inaugural address.

After the prayer and inaugural address, Jerry P. Wellman was elected City Clerk, and Albert G. Henshaw, City Messenger, and then adjourned until 7.30 o'clock.

At 7.30 p. m., the Common Council organized by the choice of Frank H. Whitcomb as President and James E. Parmenter, Clerk.

## THE MAYOR'S ADDRESS.

---

*Gentlemen of the City Councils:*

This January morning assembles us together for the purpose of qualifying as officers and assuming the duties of the several offices to which we have been chosen; and in accepting these trusts, let us give thanks unto God for his merciful kindness and protection in the past that we may be better prepared for a continuation of his future blessings to us and our people.

While we should do all in our power to promote the growth and prosperity of our city, we are not responsible for the existing Prohibitory laws, which if spasmodically and injudiciously enforced are detrimental to our most important business interests without accomplishing the intended reformation, and from which we are suffering to a great extent, it is only owing to the fact that we are blessed with many natural resources and facilities which alone enable us to prosper under these conditions.

Your duties will necessarily be both executive and legislative, and in the consideration of the many important and perplexing questions upon which you will be required to decide, you will undoubtedly in some instances find it necessary to use a judicious negative. The little "No" is one of the hardest yet one of the most necessary words to acquire the use of in a public capacity and should not be used until after a careful consideration of the subject-matter involved in your committee work,

but when found necessary to sustain your honest convictions you will be fully justified in using it.

We, gentlemen of the City Councils, are intrusted in a general way with the care and protection of the city's interests, and in all matters pertaining to its material prosperity we should adopt a liberal and progressive policy economically administered. We are brought in contact with the most important rights and interests of the people of the city, and it remains for us to prove to what extent the confidence reposed in us by our fellow citizens shall be vindicated by our official acts.

#### FINANCES.

This is an important matter for consideration, as upon our financial standing largely depends our success. Although the reports show only a small balance in the treasury at this time and less than was anticipated one year ago, yet the conditions of the finances are quite satisfactory when we take into account the heavy expenditures of the past year for ordinary city charges, highways and water works. The bonded indebtedness has been reduced \$19,700, with \$2,000 overdue bonds outstanding which have not been presented for payment. If we should deduct the water loan sinking fund from this, it would leave a bonded indebtedness of \$305,011, as against \$315,044, last year.

I would recommend a continuance of the sinking fund policy until such time as the fund is adequate to the liquidation of the maturing bonds without materially increasing the tax rate. On the first day of July next, \$11,300 of the old water bonds become due. Of this amount \$10,000 should be paid from the treasury and the balance be taken from the sinking fund. The committee on finance for the past year, recommend the raising of \$35,000 by taxation, with the usual appropriations

for general expenses amounting in all to \$62,445. Although this is a small increase over the preceeding year, yet it is as small as can consistently be made, taking into account the fact that the cash assets of the city have been reduced some \$15,000 during the past year, and provisions should be made for the necessary expenditures of the ensuing year, some of which I shall speak of more in detail later on.

#### WATER WORKS AND SEWERS.

In connection with the water works we are confronted with many important matters for consideration, and with the assistance and advice of the Superintendent and Water Commissioners, we should endeavor to make such changes and carry out such plans for perfecting the system, as is for the people's interest. A proper analysis of the water from Sylvan Lake dispels somewhat the exaggerated reports in relation to its unhealthy condition, and while it is not as pure as the water from Echo Lake, or even what we could desire, it is equal and superior to that used in many cities, and no worse than it has been at times during the period which it has been in use by the city.

Many of our people have been led to believe that we have an abundant supply for all from Echo Lake, but a careful measurement demonstrates the fact, that although the pipe from Echo Lake is taxed to its full capacity, it furnishes less than two-thirds of the water consumed, and in the event of Sylvan Lake supply being discontinued, we should have no pressure for fire purposes, and many residents in the upper portion of the city could not even obtain water for domestic use. This might be remedied somewhat by a restriction of its use, which in my opinion could better be accomplished under my recommendations of one year ago which reads as follows:

"On account of the different appliances in use by the water consumers there does not seem to be that equality of rates which would be desirable. I would therefore recommend that some time during the year a revision or re-classification be made; this of course would necessitate a thorough inspection and in the end be of mutual benefit to the city and consumers." Under the circumstances I would recommend that the principal part of the contemplated expenditure for the year, outside of the general repairs and necessary extensions, should be used in replacing with larger pipe a portion of the Echo Lake main, and should you think proper to relay during the year that portion necessary for doubling the present capacity, it may incur an expense of such magnitude as to require a temporary loan or some other provision for furnishing the required funds to carry on such construction.

On account of the extreme high water the past season it was decided to be impracticable to make the needed repairs on the dam at Echo Lake reservoir, and the appropriation made for that purpose is unexpended. These repairs should be completed during the coming summer, so as to avoid any possibility of a break in the water supply from this source.

The sewers are working satisfactorily and the system seems admirably adapted to our locality. It will be necessary to make some extensions and I would particularly call your attention to an early consideration of a petition referred to this city government by our predecessors for a sewer extension through Appian Way to Winchester street, and a careful consideration of all matters relating to any other sewer extensions.

#### STREET LIGHTS.

This luxury has become a necessity to the extent that we are compelled to have them even if they come high. The

present system seems to be eminently satisfactory to the people, and I believe the tax-payers are better satisfied to pay a fair price for a good thing rather than a low price for something inferior. The present contract for electric lights expires on the first of July next, and a renewal of the same should be made on equitable terms, or some provision made for providing suitable lights on a fair basis to the city. This matter should be considered as early in the season as practicable on account of making the proper appropriations.

#### STREETS AND DRAINS.

In this department a larger sum of money than usual has been expended in the past year, amounting to a little over \$18,000. Of this amount nearly \$4,000 has been expended for drains, gutters and stone culvert, \$1,000 for grading of concrete walks, and \$2,000 for stone paving, which really reduces the expenditure on roadways to about \$11,000. The committee on finance recommend the raising of \$14,000 for this department, which will be a small amount if the work is prosecuted to that extent which is desired by many of our citizens. I sometimes think if some of our people, who are inclined to severe criticism in this department, could have visited other towns and cities during the past season and compared their muddy streets with ours, they would the better realize the amount of thought, time and care which has been devoted by the members of the city government during the past year to this department and the obligations they should be under to them. The work done on Main street is all that could be expected of it, considering the material used, and clearly shows that a system of macadamizing should be adopted for our principal thoroughfares; but it would be much

cheaper in the end to establish a rock crushing plant for furnishing the proper material of uniform sizes than to separate the river gravel for this purpose.

A portion, at least, of Church and Roxbury streets should receive attention, and on Court street which is acknowledged to be the worst of all; surface drain tile should be laid, the gutters paved so as to keep the sand from washing into the drains, the road bed brought to the established grade and put in a permanent condition.

I would also recommend that you take under consideration some plan for paving Central Square, and Main street from the Square to the railroad. It would not be advisable to do the whole in a single year, but some portion of it should be done each year until the whole was completed. In this way the proper grade could be maintained without the expense of carting sand and gravel into the Square one year and removing it from the surface sewers the next. This project may seem somewhat expensive to you, but in my judgment, would be economy in the end.

The subject of surface drainage in connection with the streets should receive more attention. We have constructed many drains from one part of the city to another without providing sufficient outlets to take off the water as rapidly as would be desirable in a heavy rain or from the rapid melting of the snow in the spring. In this respect I would recommend that the portion at least of these drains which constitute the principal outlets, should be placed under the direct supervision of the Superintendent of Water Works and Sewers, and that he should be directed to make the proper surveys for straightening and grading Beaver brook from the Ashuelot river to Beaver street, and also the outlet from the river south of Butler Court, northerly across Winchester and Emerald streets to the railroad.

## FIRE DEPARTMENT.

This department is now in a healthy and prosperous condition and with an addition of the requisite number of men for properly operating the second steamer recently contracted for by the city, we shall soon be in a situation to guard against extended conflagrations and a better protection to our business blocks and manufacturing industries. Something should be done as soon as is consistent with the state of the finances, in providing additional accommodations for the department, and I still adhere to my former recommendation of arranging quarters for all, in proximity to the present Steamer house and stables, believing that the expense of maintaining the department would be much less under this arrangement than in any other way.

## POLICE DEPARTMENT.

The organization under our present system seems to be quite satisfactory and I desire to add a word of praise to the efficiency of all the members of the police force whenever they have been detailed for duty. At the same time I would recommend that the department be so conducted that a more strict enforcement of the Statute laws and city ordinances can be had; that the offenders may be more generally taken before the proper tribunals as an example and warning to those who are inclined to breaches of the peace and that by so doing the number of arrests may be greatly diminished. To carry out this plan more satisfactorily, I would recommend that an additional night police be placed upon the force at an expense not exceeding \$640.00 per annum. This would not increase the present expense of the department more than \$400.00 or \$500.00, as under the present arrangement a large amount of extra service is required each year.

## IN CONCLUSION.

Gentlemen, I have only called your attention to the principal departments of municipal service. Other departments of the city will require your attention; notably, the health department, the poor, cemeteries, public parks and public library. In looking forward to the labor before us, I anticipate a busy year; but when I recognize as members of this city government so many of my former able and efficient associates, and among the new, so many intelligent members, upon whose council and good judgment I can rely for assistance, I am encouraged to believe that our association will be productive of mutual respect, in all matters upon which we are called to act, not forgetting that we are transacting the business for the people and that it should be as carefully guarded as our own private interests. With these facts in view I ask your hearty co-operation for the desired result.

## KEENE CITY GOVERNMENT.

1890.

# ORDINANCES AND JOINT RESOLUTIONS.

*Passed by the City Councils in 1890.*

## CITY OF KEENE.

IN THE YEAR OF OUR LORD ONE THOUSAND EIGHT  
HUNDRED AND NINETY.

A JOINT RESOLUTION relating to annual appropriations.

Resolved by the City Councils of the City of Keene, as follows :

That in accordance with the recommendations of the Committee on Finance, the following sums be and hereby are appropriated for the various departments, viz :

Ordinary city charges,	\$7,000 00
City paupers,	3,500 00
Dependent soldiers or their families,	500 00
Highways and bridges,	14,000 00
Concrete sidewalks,	2,000 00
Fire Department,	3,000 00
Police,	2,000 00
Electric lights,	3,400 00
Gas and gasoline lights,	1,300 00
Public library,	500 00
Support of public library,	500 00
Memorial services,	150 00
Interest on M. & K. R. R. gratuity bonds,	6,400 00
Interest on sewer loan,	2,800 00
Interest on new water loan bonds,	1,295 00

Payment of water bonds,	\$10,000 00
New sewers,	500 00
Public parks,	100 00
New steamer,	3,500 00
	<hr/>
	\$62,445 00

And that the sum of \$35,000.00 be raised by taxation and the balance be paid from any money in the treasury not otherwise appropriated.

Passed Jan. 7, 1890.

---

#### A JOINT RESOLUTION relating to regular meetings.

Resolved by the City Councils of the City of Keene, as follows :

That the City Councils meet on the first and third Wednesday of each month at 7.30 o'clock, p. m., for general business.

Passed Jan. 7, 1890.

---

#### A JOINT RESOLUTION relating to pay-rolls.

Resolved by the City Councils of the City of Keene, as follows :

That until further action the time of the workmen employed in the Highway, and Water Works and Sewer Departments, be made up in the form of pay-rolls, and approved by the Superintendent of each Department. Said pay-rolls having been properly audited, the City Clerk is hereby instructed to draw upon the City Treasurer for the full amount of said pay-rolls, and disburse the same to the workmen named therein, they having receipted for the same.

Passed Feb. 5, 1890.

A JOINT RESOLUTION relating to exemption from taxation of the Triumph Wringer Co.

Resolved by the City Councils of the City of Keene, as follows:

Whereas the Triumph Wringer Co. on erecting a new building for carrying on their business and have petitioned for an exemption from taxation upon the same.

Resolved that the said building and machinery shall be exempt from taxation for a sum not exceeding \$5,000 for a term of five years from April 1st, 1890.

Passed Feb. 5, 1890.

---

AN ORDINANCE in amendment of Sec. 2, Chap. 31, of City Ordinances.

Be it ordained by the City Councils of the City of Keene, as follows:

That Sec. 2 of Chap. 31, City Ordinances, be amended by striking out the word "five" in the second line thereof and inserting in the place thereof the word "seven," so that said section when amended shall read as follows: "Sec. 2. The City Clerk shall receive for his services, and all duties connected with his office, the sum of seven hundred dollars per year, to be paid in equal monthly payments, and all fees appertaining to said office."

This amendment to take effect on its passage.

Passed Feb. 19, 1890.

---

AN ORDINANCE in amendment of Sec. 6, Chap. 31, of City Ordinances.

Be it ordained by the City Councils of the City of Keene, as follows:

That Sec. 6, of Chap. 31, City Ordinances, be amended by striking out the word "five" in the third line thereof and inserting in the place thereof the word "eight," so that said

section when amended shall read as follows: "Sec. 6. The Superintendent of Highways shall receive in full for his services, and all the duties appertaining to his office, the sum of eight hundred dollars per year, and fifty dollars per year for use of driving horse and carriage while in the discharge of his duties as Superintendent of Highways; provided, that no horse or carriage owned by or employed for the city shall be used for this purpose; to be paid in equal quarterly payments."

This amendment shall take effect on and after its passage.

Passed Feb. 19, 1890.

---

AN ORDINANCE in amendment of Sec. 2, Chap. 23,  
City Ordinances.

Be it ordained by the City Councils of the City of Keene,  
as follows:

That Sec. 2, Chap. 23, of City Ordinances, be amended  
by striking out the words "New England Observer" in the  
fifth line and inserting in the place thereof the words "The  
Daily Tribune," so that said section when amended shall read  
as follows: "Sec. 2. All City Ordinances, and such Joint  
Resolutions as in the opinion of the Mayor the public good  
requires, shall be published in one issue of the New Hamp-  
shire Sentinel, Cheshire Republican and The Daily Tribune,  
and the Clerk shall furnish copies therefor. In the annual city  
reports shall be published all Ordinances and Joint Resolu-  
tions passed during the year."

Passed Mar. 19, 1890.

---

AN ORDINANCE relating to the pay of Stewards.

Be it ordained by the City Councils of the City of Keene,  
as follows:

That the salary of the Steward of the Deluge Hose Co.  
and the Washington Hook and Ladder Co. be twenty dollars  
per year, and that the Stewards shall not have any further  
compensation for any extra labor.

This Ordinance to take effect April 1st, 1890, and the Ordinance relating to the pay of Stewards passed June 1st, 1885, is hereby repealed.

Passed Mar. 19, 1890.

---

A JOINT RESOLUTION making an additional appropriation for Memorial Day.

Resolved by the City Councils of the City of Keene, as follows :

That, whereas the sum of one hundred and fifty dollars is not sufficient to meet the expenses incurred in the observance of Memorial Day, the additional sum of twenty-five dollars be and hereby is appropriated for said purpose to be paid out of any money in the treasury not otherwise appropriated.

Passed Mar. 19, 1890.

---

A JOINT RESOLUTION in relation to relaying of water mains.

Resolved by the City Councils of the City of Keene, as follows :

That the Joint Standing Committee on Water Works and Sewers be authorized to purchase iron pipe and other material necessary for reconstructing the mains as recommended by them in their accompanying report of March 19, and that the sum of ten thousand (\$10,000) dollars is hereby appropriated for that purpose.

Passed Mar. 19, 1890.

---

A JOINT RESOLUTION in relation to water meters.

Resolved by the City Councils of the City of Keene, as follows :

That the Water and Sewer Commissioners be authorized to purchase a suitable number of water meters of such sizes

and make as are considered by them best, and that the sum of eight hundred (\$800) dollars is hereby appropriated for that purpose.

Passed Mar. 19, 1890.

---

AN ORDINANCE repealing certain City Ordinances.

Be it ordained by the City Councils of the City of Keene, as follows :

That Chap. 19, and Sec. 25 of Chap. 31, City Ordinances, are hereby repealed.

Passed Apr. 2, 1890.

---

A JOINT RESOLUTION appropriating money for the payment of uniforms for the Steamer and Hose Co.

Resolved by the City Councils of the City of Keene, as follows :

Whereas, the sum of eighty (\$80) dollars has been allowed the other organizations of the Keene Fire Department, in addition to the one hundred and fifty (\$150) dollars heretofore allowed for uniforms, and it has become necessary to furnish five new uniforms on account of increasing said Company; therefore

Resolved, That the sum of one hundred fifteen dollars and fifty cents (\$115.50), be paid to the treasurer of said Company upon his receipting for it, the same to be paid out of any money in the treasury not otherwise appropriated, and the uniforms bought therewith to be the property of the City.

Passed Apr. 2, 1890.

---

A JOINT RESOLUTION relating to salaries of members of the Board of Education.

Resolved by the City Councils of the City of Keene, as follows :

That the sum of twenty dollars be paid to each member of the Board of Education of Union School District for services for the year ending Mar. 1, 1890, out of any money in the treasury not otherwise appropriated.

Passed Apr. 2, 1890.

---

A JOINT RESOLUTION relating to salary of School Board.

Resolved by the City Councils of the City of Keene, as follows :

That the compensation of the members of the School Board for services during the year ending March 6, 1890, be fixed at twenty dollars each to the members of the Board who have served a full year, and that said sum of twenty dollars be paid to each of the following named persons: Joseph Chase, George K. Wright and Calvin W. Farwell.

Passed Apr. 2, 1890.

---

A JOINT RESOLUTION appropriating money for the purchase of school books and supplies.

Resolved by the City Councils of the City of Keene, as follows :

That the sum of one thousand (\$1,000) dollars be appropriated, out of any money in the treasury not otherwise expended, for the purpose of paying for school books and supplies.

Passed Apr. 16, 1890.

---

A JOINT RESOLUTION relating to the approval of bills for material for relaying water mains.

Resolved by the City Councils of the City of Keene, as follows :

That the Joint Standing Committee on Water Works and Sewers be and hereby are authorized to approve all bills for material for the reconstruction of water mains, authorized by Joint Resolution passed March 19, 1890.

Passed May 7, 1890.

---

A JOINT RESOLUTION making an additional appropriation to pay for snow rollers.

Resolved by the City Councils of the City of Keene, as follows :

That, whereas there is a difference of opinion in regard to the amount of money which should be paid to George W. Russell for the two snow rollers which he built for the city last December, and justice seems to demand that more than the demand of the appropriation made at the time be paid him ; therefore

Resolved, That an additional appropriation be, and hereby is made, of fifty-five (\$55) dollars which shall be paid to the said Russell with the amount already appropriated on his receipting the bill for the two rollers in full of all claims.

Passed May 7, 1890.

---

#### PROPOSITION OF HENRY O. COOLIDGE.

I, Henry O. Coolidge, of Keene in the County of Cheshire and State of New Hampshire, hereby make the following proposition to the City of Keene :—

I will purchase the Perry place, so called, of the Rev. William O. White, upon the terms agreed upon between said White and myself, and pay him for said premises the sum of fifteen thousand and five hundred dollars, and convey said real estate to said city by good and sufficient deed, to be by said city forever owned, held and used for the purpose of erecting and maintaining a Public Library building thereon and for utilizing so much thereof as is not used for library purposes

for a Public Park, and for no other purpose whatever. Said city to take possession of said property immediately and take and enjoy the rents and income therefrom till such reasonable time as the same shall be devoted to the uses aforesaid, provided said city will pay to me during my life and to my wife, Emily B. Coolidge, during such time as she shall survive me, four per cent. per annum upon said sum of fifteen thousand and five hundred dollars, payable semi-annually on the first day of July and January of each year during the time aforesaid.

I will also pay to said city the sum of four thousand five hundred dollars in money, to be by said city invested and the income therefrom used as the officers of said city may direct, until such time as it may be properly used to defray a portion of the expense of constructing a library building upon the premises aforesaid, for the purchase of books for said library, or for purchasing furniture for said library building when constructed, the same to be used for no other purpose whatever, upon condition that said city will pay me during my life and to my wife, Emily B. Coolidge, during such time as she shall survive me, four per cent. per annum upon said sum of four thousand five hundred dollars, payable semi-annually on the first day of July and January of each year during said term. All of the payments aforesaid to be made free of taxes.

HENRY O. COOLIDGE.

Keene, N. H., May 7, 1890.

---

A JOINT RESOLUTION in relation to grounds for a Public Library building and Public Park.

Resolved by the City Councils of the City of Keene, as follows :

That said city accept from Henry O. Coolidge his deed of the "Perry place" so called, (to be purchased by him of Rev. William O. White for the sum of fifteen thousand five hundred dollars) conveying said property to the city for the purpose of erecting and maintaining a Public Library building

thereon and for the purpose of a Public Park and for no other purpose whatever.

That said city also accept from said Coolidge the sum of four thousand five hundred dollars, to be invested and eventually used by said city for the purpose of defraying a portion of the expense of constructing said library building, for the purchase of books for said library or for furnishing said building when constructed, and for no other purpose whatever.

And in consideration of said conveyance and the payment of said four thousand five hundred dollars, said city hereby agrees to pay to said Coolidge during his life, and to his wife, Emily B. Coolidge, during such time as she shall survive him, four per cent. per annum upon said sums of \$15,500 and \$4,500, payable on the first day of July and January, agreeably to the terms and conditions of the proposition in writing of even date herewith made by said Coolidge to said city.

And that the Mayor and City Treasurer are hereby authorized, empowered and instructed to execute and deliver to said Henry O. Coolidge, upon receipt of said deed and the payment of said money, the written obligation of the City of Keene to pay to him during his life, and to said Emily B. Coolidge during such time as she shall survive him, the sum of eight hundred dollars per annum, free from taxes, payable semi-annually on the first day of July and January each year.

Passed May 7, 1890.

---

A JOINT RESOLUTION of thanks to Henry O. Coolidge.

Resolved by the City Councils of the City of Keene, as follows :

That, whereas we are deeply impressed by the generosity and public spirit which have prompted our fellow-citizen, Henry O. Coolidge, to secure for all time to the people of Keene commodious and beautiful grounds for the erection of a Public Library building and a Public Park, and a munificent

sum of money to be used for the development of this project, thus furnishing means for the intellectual improvement and pleasure of the inhabitants.

Resolved, That the City Councils hereby express to Henry O. Coolidge the gratitude of the citizens of Keene for his benevolent and timely act.

Passed May 7, 1890.

---

A JOINT RESOLUTION relating to electric lights.

Resolved by the City Councils of the City of Keene, as follows:

That the Joint Standing Committee on Lamps and Lamp Posts be and hereby are authorized to make a contract with the Keene Gas Light Co. to light the streets with electric lights, of a rated two thousand candle power each, for two years from the first day of July next, at a price not to exceed one hundred dollars per year for each light, all to be lighted at dark every night and burn until 11.30 o'clock p. m.

Passed May 7, 1890.

---

COMMUNICATION FROM MRS. MINERVA P.  
GATES.

*To the Honorable Mayor and Board of Aldermen of Keene:*

The undersigned, widow of Rufus Gates late of Keene, desires to deposit with the City of Keene the sum of one hundred dollars (\$100) the same to be kept as a permanent fund, by said City of Keene as trustee, the interest of which or so much of it as may be necessary, to be appropriated annually, to keeping in repair and good condition the lot in Woodland Cemetery known as the Rufus Gates lot, and in which the remains of said Rufus Gates are interred; also to keep in good repair and cleanly condition the monument erected on said lot and the gravel walks around it. The balance of annual interest on said fund, if any, not needed for the above purposes

may be used for such repairs and improvements in Woodland Cemetery as the city may direct.

On advice that this trust is accepted by the City of Keene, the sum of one hundred dollars will be deposited in the City Treasury or in such other manner as may be desired.

MRS. MINERVA P. GATES.

Keene, April 10, 1890.

---

A JOINT RESOLUTION relating to the donation of Mrs. Minerva P. Gates.

Resolved by the City Councils of the City of Keene, as follows:

That the donation of one hundred dollars offered by Mrs. Minerva P. Gates be accepted upon the conditions stated in the offer, provided, however, that the same shall be first invested by her, and the investment placed with the City Treasurer.

Passed May 7, 1890.

---

A JOINT RESOLUTION in relation to extension of sewers.

Resolved by the City Councils of the City of Keene, as follows:

That the Commissioners of Water Works and Sewers be authorized and instructed to construct a sewer or extension on Appian Way and Madison Court, with necessary flush tanks and connections, in accordance with recommendations of the Joint Standing Committee on Water Works and Sewers here-with submitted, and that the sum of six hundred (\$600) dollars be and hereby is appropriated for the purpose of purchasing the necessary material and paying for the necessary labor thereon.

Passed May 7, 1890.

**A JOINT RESOLUTION** in relation to damage by water.

Resolved by the City Councils of the City of Keene, as follows :

That, whereas, by the bursting of the water main on West street, the firm of Geo. E. Holbrook & Co. has been damaged to the amount of \$243.33 ; the firm of Spencer & Co. to the amount of \$259.52 ; and the firm of E. Gustine & Son to the amount of \$29.30.

Resolved that the sum of \$532.15 be paid in the proportion mentioned above, in settlement of these claims, from any money in the treasury not otherwise appropriated.

Passed May 7, 1890.

---

**A JOINT RESOLUTION** relating to a reward for the capture of the person or persons who destroyed or defaced the stones or monuments in Greenlawn and Woodland Cemeteries.

Resolved by the City Councils of the City of Keene, as follows :

That the City of Keene offer, and does hereby offer, a reward of three hundred (\$300.00) dollars, to be paid to such person or persons as shall cause to be arrested and convicted, the person or persons who desecrated, defaced and destroyed the stones and monuments in Greenlawn and Woodland Cemeteries on May 10 or 11, 1890, said sum to be paid immediately after conviction of such person or persons.

Passed May 12, 1890.

---

**A JOINT RESOLUTION** amending a Joint Resolution passed at last regular meeting.

Resolved by the City Councils of the City of Keene, as follows :

That the Joint Resolution relating to electric lights, passed May 7, 1890, be and is hereby amended, by striking out the

word two before the word years, and inserting in the place thereof the word three.

Passed May 21, 1890.

---

A JOINT RESOLUTION relating to macadamizing.

Resolved by the City Councils of the City of Keene, as follows :

That a special committee, consisting of His Honor the Mayor, the Joint Standing Committee on Streets and Drains and Engineer Samuel Wadsworth, is hereby appointed and authorized and instructed to investigate the question of purchasing a stone crusher, and the necessary equipment to put in operation the macadamizing system in our city, as requested by petition of Edward Joslin and others. Also to ascertain where and upon what terms suitable stone for this process may be best obtained. Such expenses as said committee may incur shall be paid out of any money in the treasury not otherwise appropriated.

Passed May 21, 1890.

---

A JOINT RESOLUTION relating to adjournment.

Resolved by the City Councils of the City of Keene, as follows :

That when this body adjourn it be to meet on Wednesday evening, June 25 next, at eight o'clock.

Passed June 4, 1890.

---

A JOINT RESOLUTION in relation to the annuity for Henry O. Coolidge.

Resolved by the City Councils of the City of Keene, as follows :

That the sum of five hundred and four and forty-four one hundredths (\$504.44) dollars be and hereby is appropriated

out of any money in the treasury not set apart for other purposes, to provide for the annuity to Henry O. Coolidge, for the current year.

Passed June 4, 1890.

---

A JOINT RESOLUTION in relation to electric lights.

Resolved by the City Councils of the City of Keene, as follows :

That the Joint Resolution, passed May 7 last, and amended May 21, be further amended by adding after 11.30 o'clock p. m., except upon such nights as the night police officer thinks the moon gives sufficient light, when they may be shut off, by his order, at 10 o'clock p. m.

Passed June 4, 1890.

---

COMMUNICATION FROM CAROLINE H.  
INGERSOLL.

*To the Mayor and City Councils of Keene:*

Gentlemen:—I desire to make a present disposition of what I had intended to leave as a bequest to the City of Keene.

I have in my possession many family relics, most of them from one hundred to one hundred and fifty years old; some about sixty and some two hundred years; consisting of pictures, furniture, military papers, commissions, autographs, silver, jewelry, coins, books, wearing apparel, curiosities, etc., etc.

On the condition that the City of Keene, will, in its new library building, when it shall be built, devote a small room to the holding of, and give proper care and protection to, by the keeping under lock and key, in cases that I will provide for the purpose, all the smaller rélics and curiosities, and will give the same care and protection to pictures to be hung upon the walls, and to furniture to be placed against the walls of said room, then will I give all the articles mentioned in a list too long to be given in this paper, to the City of Keene, to have and to hold forever, as a nucleus of ever increasing interest

for a museum, hoping that other persons will do the same, and thus establish here in Keene a varied museum of general interest.

Many of these articles were exhibited at the May Festival in the city hall, in the centennial year 1889, and an account of them can be found in the issues of the New Hampshire Sentinel, and the Keene Observer, of the second week of May of that year.

If the City of Keene is not ready to agree to this condition, which is imperative, then all these articles will be scattered and given to different institutions and individuals; but as I am the last of my race, and have become strongly attached to Keene during a long residence here, and while it has been the residence of my parents and brother, as well as for a short time the residence of my grandparents Ingersoll, to whom many of these articles belonged, I have thought it proper to offer to make this disposition of my family relics, asking that the room holding them should be called "the Ingersoll Room," that the name of my revered father should not be forgotten in a place where he and his family have lived, and in the prosperity of which they have all been deeply interested.

If the City of Keene will accept this gift upon the foregoing conditions, and will provide, as soon as possible, a place for the reception of these relics, I will, at my earliest capacity, provide suitable cases for the holding of all small articles, and will upon my decease, leave a sum, the annual interest of which shall be ample for the care of said relics in the future. Some of these articles are considered rare and valuable by several art museums, they are certainly curious, and the time is coming when they will be valuable and interesting, and in this youthful country they are certainly old.

The decision of the City Government is what I now desire and await, for, if not accepted, the collection will be as I have already stated, scattered among different institutions and individuals.

Respectfully submitted,

CAROLINE H. INGERSOLL.

June 25, 1890.

A JOINT RESOLUTION relating to gift of Caroline H. Ingersoll.

Resolved by the City Councils of the City of Keene, as follows :

That said city will accept the gift offered by Caroline H. Ingersoll, in her communication in writing, dated June 25, 1890, and hereby agrees to perform and observe the conditions of said gift contained in said writing.

Passed June 25, 1890.

---

A JOINT RESOLUTION in relation to adjournment.

Resolved by the City Councils of the City of Keene, as follows :

That when this body adjourns it be to meet on Wednesday, September 3, 1890, at 7.30 p. m., unless otherwise ordered by His Honor the Mayor.

Passed June 25, 1890.

---

A JOINT RESOLUTION relating to school money.

Resolved by the City Councils of the City of Keene, as follows :

That the money by law assessed in the City of Keene, for the support of schools, for the present year, amounting to \$12,579, the Literary fund of \$970.97, the unexpended balance of the dog tax of \$406, and the balance of the Hibbard fund of \$21.35, amounting in all to \$13,977.32, be apportioned among the school districts as follows, viz : \$75.00 be assigned to each of the twenty-two schools in Union District, amounting to \$1,650; and \$75.00 to each of the eleven schools in City District, amounting to \$825; and the remainder, \$11,502.32, be apportioned pro rata among the 1207 scholars in Union School District, and the 179 scholars in the City School District, making the whole amount apportioned to Union School

District, \$11,666.81, and the total amount to the City School District, \$2,310.51.

Passed June 25, 1890.

---

A JOINT RESOLUTION in relation to macadamizing.

Resolved by the City Councils of the City of Keene, as follows :

That the Joint Standing Committee on Streets and Drains, including the special committee on macadamizing, be and are hereby authorized to purchase at their discretion, a stone crusher and suitable machinery for establishing a macadamizing plant, and if found necessary, purchase land for that purpose, and that the sum of \$3,000 be and is hereby appropriated for that purpose.

Passed June 25, 1890.

---

A JOINT RESOLUTION in relation to an additional appropriation for the purchase of school books and supplies.

Resolved by the City Councils of the City of Keene, as follows :

That in accordance with the recommendation of the Joint Standing Committee on Schools, an additional appropriation be and hereby is made, out of any money in the treasury not otherwise appropriated, of two hundred and twenty-five dollars.

Passed June 25, 1890.

---

A JOINT RESOLUTION relating to additional appropriation for work at Wheelock Park.

Resolved by the City Councils of the City of Keene, as follows :

That two hundred dollars be appropriated from the city treasury, to be added to the Wheelock Park fund, and that the Committee on Lands and Buildings, together with the Park Commissioner, be authorized to erect a suitable building on said park for the protection and comfort of its patrons, the cost of said building not to exceed the sum of five hundred dollars.

Passed June 25, 1890.

---

A JOINT RESOLUTION relating to lease.

Resolved by the City Councils of the City of Keene, as follows:

That the Mayor be and is hereby authorized to lease to the State of New Hampshire, a certain tract of land and water rights, according to the terms specified in the annexed lease.

Passed August 29, 1890.

---

A JOINT RESOLUTION relating to bequest of Miss Mary P. Whitney.

Resolved by the City Councils of the City of Keene, as follows:

That the bequest of Miss Mary P. Whitney of one hundred dollars be accepted upon the conditions named in connection therewith, as stated in the accompanying notice from the executor of said Mary P. Whitney's will.

Provided, however, that the said sum shall be invested in one of the savings banks in this city, and the book placed with the City Treasurer.

Passed Sept. 17, 1890.

---

A JOINT RESOLUTION in relation to sewer and water extension on Terrace street.

Resolved by the City Councils of the City of Keene, as follows:

That the Commissioners of Water Works and Sewers be authorized and instructed to construct a sewer and extend the water main on Terrace street, in accordance with the recommendations of the Joint Standing Committee on Water Works and Sewers, herewith submitted; and that the sum of five hundred dollars be and hereby is appropriated for the purpose of purchasing the necessary material and paying for the necessary labor thereon.

Passed Sept. 17, 1890.

---

A JOINT RESOLUTION relating to the pay of firemen.

Resolved by the City Councils of the City of Keene, as follows:

That the City Clerk be and hereby is instructed to draw upon the City Treasurer for the full amount of the pay-rolls of the different Fire Companies, due Oct. 1 next, agreeable to Chapter 7, City Ordinances, said pay-rolls having been made out and subscribed by the firemen of each company and the Chief Engineer, and properly corrected by the quarterly reports, and audited by the City Auditor, and disburse the same among the different members of the Fire Department whose names appear on the said rolls, they having received for the same.

Passed Sept. 17, 1890.

---

A JOINT RESOLUTION relating to expenses of annual Inspection of the Fire Department.

Resolved by the City Councils of the City of Keene, as follows:

That the sum of sixty (\$60.00) dollars be and hereby is appropriated for the expenses of the annual inspection of the Fire Department, from any money the treasury not otherwise appropriated.

Passed October 1, 1890.

A JOINT RESOLUTION relating to additional appropriations.

Resolved by the City Councils of the City of Keene, as follows:

That in addition to the sums heretofore appropriated, the following be and hereby are appropriated for the following purposes, viz:

For highways and bridges,	\$2,500 00
For electric lights,	550 00
For gas and gasoline lights,	250 00

Passed Oct. 15, 1890.

A JOINT RESOLUTION in favor of Keene Granite Terra Cotta and Tile Company.

Resolved by the City Councils of the City of Keene, as follows:

That, whereas, John A. Wright, Thomas W. Blakey, Fred E. Howe and others, propose to purchase land, erect buildings thereon, and engage therein in the manufacture of articles made of "granite terra cotta," so-called, in said Keene, under the name of Keene Granite Terra Cotta and Tile Co.; now, therefore

Resolved, That said establishment when erected and put in operation, including so much of the land as is used for carrying on said business, the buildings erected thereon for such purpose, and the capital used in operating the same, be and hereby are exempt from taxation for such time as the same is used for said purpose not exceeding ten years from date.

Keene, N. H., Oct. 15, 1890.

Passed Oct. 15, 1890.

A JOINT RESOLUTION in relation to Legacy of John Symonds.

Resolved by the City Councils of the City of Keene, as follows :

That the Mayor be authorized to execute and deliver in the name of the city to the executors under the will of John Symonds, proper receipts for such property as said executors shall turn over to the city, in accordance with the terms of said will.

Passed Nov. 19, 1890.

---

A JOINT RESOLUTION relating to additional appropriations.

Resolved by the City Councils of the City of Keene, as follows :

That in addition to the sums heretofore appropriated, the following sums be and hereby are appropriated for the following purposes, viz :

Ordinary City Expenses,	\$1,400 00
Highway Department,	1,500 00
Relaying of Water Mains,	3,500 00
Purchase of Crusher,	2,000 00

Passed Nov. 19, 1890.

---

A JOINT RESOLUTION relating to additional appropriation for the purchase of school books and supplies.

Resolved by the City Councils of the City of Keene, as follows :

That in accordance with the recommendation of the Joint Standing Committee on Schools, an additional appropriation be and hereby is made out of any money in the treasury not otherwise appropriated, of two thousand dollars for the purchase of school books and supplies.

Passed Nov. 19, 1890.

AN ORDINANCE in amendment of Section 2, Chapter 23,  
City Ordinances.

Be it ordained by the City Councils of the City of Keene,  
as follows :

That Sec. 2, Chap. 23, of City Ordinances, be amended by  
striking out the words "The Daily Tribune," in the fifth line  
and inserting in place thereof the words "Keene Evening  
Sentinel" and "Observer," so that said section when amended  
shall read as follows: "Sec. 2. All City Ordinances, and  
such Joint Resolutions as in the opinion of the Mayor the  
the public good requires, shall be published in one issue of the  
New Hampshire Sentinel, Cheshire Republican, Keene Even-  
ing Sentinel, and Observer, and the Clerk shall furnish copies  
therefor. In the Annual City Reports shall be published all  
Ordinances and Joint Resolutions passed during the year."

Passed Dec. 17, 1890.

# ANNUAL REPORTS.

# WATER WORKS AND SEWERS.

---

TWENTY-FIRST ANNUAL REPORT

OF THE

# WATER AND SEWER COMMISSIONERS.

---

*To the City Councils:*

We herewith transmit the twenty-first annual report of the Superintendent of the Keene Water Works, together with the seventh annual report of the Superintendent of Sewers.

The financial account for the year is as follows:

Assessments and arrearages as given to the

Collector,	\$17,672 81
Amount collected,	\$13,746 58
Advance payment discounts,	3,226 85
Abated,	168 74
Uncollected,	530 64
	<hr/>
	\$17,672 81

The earnings of the year are as follows:

Assessments Nos. 41 and 42,	\$17,040 15
Sale of ice,	120 00
Sale of stock,	98 25
Tapping account,	140 73
	<hr/>
	\$17,399 13

Less advance discounts,	\$3,226 85
refunded from treasury,	61 52
Abatements,	83 00
	<hr/>
	\$3,371 37
	<hr/>
Gross earnings,	\$14,027 76
Maintenance,	3,051 47
	<hr/>
Net earnings,	\$10,976 29

We would respectfully call your attention to that portion of the Superintendent's report showing the large expenditure necessary in repairing the cement pipe.

This it will be seen is a large item in the yearly expense account resulting in no permanent benefit to the water system.

It would also be well to bear in mind that in addition to the expense to the city of repairing the cement pipe we are also taking great risks of loss by fire, which was exemplified in one instance during the past year, when but for a burst in the cement pipe, a large amount of property which was destroyed might probably have been saved.

We would therefore urge that provisions are made for relaying with iron pipe all the streets named in the Superintendent's report.

We respectfully ask your consideration of the question of providing a suitable office for the use of the Commissioners and Superintendent.

The office at present occupied is very well adapted to the needs of the Department of Water Works and Sewers, but is not suitable when used jointly with the Tax Collector.

In closing we desire to commend the Superintendent of this department for the efficient manner in which he has discharged the duties of his office during the year.

Respectfully submitted,

E. S. FOSTER,  
N. G. GURNSEY,  
G. W. FISHER,  
Water and Sewer Commissioners.

## SUPERINTENDENT'S REPORT.

---

*To the Board of Water and Sewer Commissioners:*

GENTLEMEN: I herewith submit the 21st annual report of the Water Department and the 7th annual report of the Sewer Department for the year ending Dec. 1, 1890.

### WATER WORKS.

E. O. Keith, changing connections,	115 25
Sumner & Goodwin, corporation	
cocks,	17 66
Geo. Woodman & Co., extension boxes,	21 00
Humphrey Machine Co., castings and	
derrick,	10 00
H. W. Hubbard, repairing,	5 00
H. O. Fields, wood,	10 00
C. H. Bridgman, oil,	4 71
Highway Department, team,	15 00
Labor,	404 60
Cheshire R. R., freight,	1 93
	<hr/>
	\$2,839 06

## SUMMER STREET.

Paid R. D. Wood & Co., pipe and spe-	
cials,	\$349 09
Knowlton & Stone, lead, etc.,	33 90
E. O. Keith, changing connections,	50 09

Paid Sumner & Goodwin, corporation cocks,	\$12 59
Hayes Mfg. Co., extension boxes,	13 00
Humphrey Machine Co., castings and derrick,	2 00
Highway Department, team,	4 00
Labor,	99 17
	<hr/>
	\$563 84

## ROXBURY STREET HYDRANT.

Paid R. D. Wood & Co., pipe and hydrants,	\$71 40
---	---------

## WEST STREET, WEST OF PARK AVENUE.

Paid R. D. Wood & Co., pipe and specials,	\$393 81
Knowlton & Stone, lead,	35 10
E. O. Keith, changing connections,	14 60
Sumner & Goodwin, corporation cocks,	7 25
Hayes Mfg. Co., extension boxes,	7 00
Humphrey Machine Co., derrick,	2 00
Labor,	85 43
	<hr/>
	\$545 19

## MAIN STREET.

Paid R. D. Wood & Co., pipe and specials,	\$1,745 13
Knowlton & Stone, lead, etc.,	115 37
E. O. Keith, changing connections,	65 77
R. Ray, repairing tools,	6 oz
Humphrey Machine Co., derrick, etc.,	8 42
G. W. Russell, drag,	3 00
H. W. Hubbard, tools,	7 88

Paid H. O. Fields, wood,	\$10 00
Highway Department, team,	12 00
Labor,	296 81
Sumner & Goodwin, corporation cocks,	30 27
Hayes Mfg. Co., extension boxes,	25 00
	<hr/>
	\$2,325 67

## WINCHESTER STREET.

Paid R. D. Wood & Co., pipe and spe- cials,	\$871 50
Knowlton & Stone, lead,	17 00
E. O. Keith, changing connections,	87 52
Sumner & Goodwin, corporation cocks,	10 00
H. W. Hubbard, repairing tools,	8 54
J. P. Wellman, telegram,	1 30
Highway Department, teams,	8 00
Labor,	136 55
Hayes Mfg. Co., extension boxes,	8 00
	<hr/>
	\$1,148 41

## MADISON STREET.

Paid R. D. Wood & Co., pipe and spe- cials,	\$169 86
E. O. Keith, changing connections,	32 35
R. Ray, repairing tools,	2 65
Highway Department, team,	2 00
Labor,	48 54
Sumner & Goodwin, corporation cocks,	6 00
Hayes Mfg. Co., extension boxes,	3 60
	<hr/>
	\$265 00

## RECONSTRUCTION.

Cost of reconstruction, 1890,	\$12,252 64
Cost of reconstruction, 1888,	\$10,085 57
Cost of reconstruction, 1889,	<u>7,008 08</u>
Cost of reconstruction to Dec. 1, 1889,	\$17,093 65
Total cost of reconstruction, Dec. 1, 1890,	<u>\$29,346 29</u>

## WATER EXTENSION, SPECIAL APPROPRIATION.

## MYRTLE STREET.

Paid R. D. Wood & Co., pipe and spe-	
cials,	\$593 40
Davis & Farnum Mfg. Co., castings,	17 85
Knowlton & Stone, lead, etc.,	79 50
E. O. Keith, changing connections,	8 05
Sumner & Goodwin, corporation	
cocks,	2 67
Hayes Mfg. Co., extension boxes,	3 00
Humphrey Machine Co., castings,	1 50
S. W. Williams, lumber,	2 07
Highway Department, team,	14 00
Labor,	<u>136 94</u>
	\$858 98

## TERRACE STREET.

Paid Sumner & Goodwin, pipe,	\$70 00
Cheshire R. R., freight,	2 77
Labor,	<u>36 77</u>
	\$109 54

## ISLAND STREET.

Paid Whittier Machine Co., pipe,	\$87 13
Knowlton & Stone, lead,	10 26
Beaver Mills, wood,	4 00
Labor,	52 39
C. Bridgman, oil,	75
	—————
	\$154 53

## HARRISON STREET.

Paid Beaver Mills, wood,	\$18 00
H. W. Hubbard, repairs,	1 55
Knowlton & Stone, lead,	40 00
Humphrey Machine Co., castings,	8 00
	—————
	\$67 55

## ARMORY STREET.

Paid Sumner & Goodwin, pipe,	\$13 93
From stock, pipe and gate,	63 00
Labor,	44 75
E. O. Keith, pipe,	20 00
Cheshire R. R., freight,	3 96
	—————
	\$145 64

## COURT STREET HYDRANT.

Paid R. D. Wood & Co., pipe and spe- cial,	\$71 65
From stock, pipe,	5 00
Labor,	15 45
	—————
	\$92 10

## ADAMS STREET.

Paid Sumner & Goodwin, pipe,	\$39 40
Pay roll, labor,	11 66
	—————
	\$51 06

## CITY OF KEENE.

## UNION STREET.

Paid R. D. Wood & Co., pipe and spe-	
cials,	\$118 39
Knowlton & Stone, lead,	10 54
Humphrey Machine Co., castings,	1 05
Hayes Mfg. Co., extension boxes,	3 00
E. O. Keith, changing connections,	7 95
Sumner & Goodwin, corporation cocks,	3 50

## REGULATIONS.

## APPLICATION FOR CONNECTIONS AND SUPPLIES, ETC.

Applications for the use of water, or for the connection of any service pipes or fixtures to supply any premises shall be made to the Superintendent by a written request, stating the requirements of the applicant, with an agreement to conform at all times to the current rules and regulations which may be established in relation thereto ; and no person shall be allowed to connect any service pipe to the pipes of the works by tapping or otherwise, without a written permit from the Commissioners or Superintendent; and all trenching, or other work incident to laying or repairing water pipes in any street or public ground shall be subject to their supervision and approval. Also, the location, capacity, quality and general character of any pipe or other fixings used, whenever the interests of the works may be affected thereby.

Each service pipe connected to any street main or distributing pipe belonging to the works, shall, near the sidewalk, be provided with an iron extension stop box, the cover of which shall be flush with the sidewalk or top of ground ; also with suitable stop and waste cocks (on premises of the user), for shutting off and discharging the water from all pipes or fixtures liable to injury from the action of frost.

The cost of all service pipes and fixtures to be paid by the applicant, and computed as from the centre of the street where the connection is made, except in cases where the Commissioners shall consider it proper for the expense to be otherwise charged ; and the applicant or user shall at all times keep the same in good order to prevent leakage or waste of water ; and no continuous flow of water, to guard against frost or for any other purpose, will be allowed, except in special cases where an agreement is made as to conditions and rates.

EXAMINATION AND OVERSIGHT OF FIXTURES AND SUPPLIES,  
ETC.

All persons using water, or whose premises are furnished with pipes connected with the water works, are required to give due notice of any changes involving any increase in use of water; also, to allow the Commissioners, the Superintendent, or his assistants to make personal examination of all fixtures between the hours of eight a. m., and six p. m.; also, to answer correctly all proper inquiries in relation to the quantity, purposes and manner in which water is used upon their premises, so far as may be deemed necessary for a faithful supervision of the same; and any person who shall make false representations in regard to the amount of water used, or who shall allow any other person or family to take or use water from his fixtures, or shall use it for any purpose not included in their contracts or payments, without the consent of the Commissioners, thereby intending to evade or defraud in the payment of rates, shall be subject to payment of double rates therefor or to such other penalties as may be provided by law.

Any person whose premises are supplied with service pipe and fixtures, allowing tenants or others to take or use water from same, will be holden for the payment for water so used or taken, unless such tenants or other persons shall have made application to the Superintendent, and complied with the requirements in regard to such use.

## PROVISIONS FOR SHUTTING OFF SUPPLY, ETC.

In cases of misrepresentation, misuse or waste of water, non-payment of rent, or for neglect or refusal to comply with the established rules and regulations of the water works, the Commissioners may cause the supply to be shut off and withheld from any service pipe until the cause of the complaint is removed, and the sum of two dollars is paid for the expense of shutting off the water.

And in case two or more several parties or families are

supplied by any service pipe from which the water may be shut off on account of the failure of any one of them to comply with the established rules and regulations, the supply may be withheld from them without liability in damage to either of them until the defaulting party shall remove the cause of complaint.

And if any person shall, without permit, turn on the water at any corporation or private stop-cock, when it has been shut off on account of any violation of rules, until all costs are paid and all causes of complaint are removed, such person or persons using water therefrom, shall be liable to payment of three-fold rates and such other penalties as may be recovered by law.

The right to shut off water for repairs, extensions, and other necessary purposes of the works, is at all times reserved; also, in case of scarcity, or deficient supply, the use for garden hose and other purposes for which comparatively low rates are charged, are to be subject to such restrictions as may be deemed necessary to meet the exigencies of the occasion. And in case of fire, it is the duty of all users to shut off and discontinue, as far as practicable, all draughts from the works which may lessen the pressure at the fire hydrants.

#### RULES FOR PLUMBERS.

Plumbers will not be allowed to start on any work until they have a written permit, signed by one of the Commissioners, or the Superintendent, or his regular appointed assistant.

Every plumber who shall set up any pipe or fixtures in connection with the water works or sewers, or shall make repairs upon, additions to, or alterations of the same, shall, within three days after the same shall be completed, fill out and return to the Superintendent the blank form of permit, showing the number and kind of fixtures, location of stop box, etc., under the penalty of having his license revoked.

The Superintendent's office shall be notified twenty-four hours in advance when work will be ready for inspection.

## ASSESSMENT AND COLLECTION OF RENTALS, ETC.

Semi-annual assessments of rents for use of water are made on the first days of June and December, and are payable to the Collector, who will be at his office at suitable times for that purpose, of which due notice will from time to time be given; and all regular patrons of the works, making payment within forty days from the date of any such assessment—with the understanding that no rebate is to be claimed for any temporary discontinuance of any use for which payment is made—shall be entitled to a discount of twenty per cent. from the regular rates; and all rents not paid in advance or during the forty days from the date of assessment as aforesaid, are to be charged at full advertised rates, and to be deemed due and payable at the expiration of the six months' use.

## SCHEDULE OF ANNUAL RATES.

For the ordinary and legitimate uses of each family having the usual kitchen fixtures only, and not including use for watering gardens or other purposes, as follows:

For first four persons or less,	\$ 5 00
For each additional person,	50
For each additional room supplied with fixtures, not otherwise rated,	1 00
For one bath tub,	4 00
For each bath tub exceeding one,	2 00
For one water closet,	4 00
For each water closet exceeding one,	2 00
Boilers for water or steam heating,	\$1 25 to 10 00
Hose or hydrant for garden or lawn sprinkling (for four months),	4 00
And upward according to use required.	
Ornamental fountains (limited use),	6 00
Hotels, for each room to twenty-five,	1 00
Each room exceeding twenty-five,	50
Hotel stables, each stall to ten,	1 25

Hotel stables, each stall exceeding ten,	\$0 50
Livery stables, each horse to twenty,	2 50
Each horse exceeding twenty,	1 00
Private stables, for first two horses, each,	2 50
Each horse exceeding two,	1 25
Water for washing carriages to be included in stable rates.	
Oxen or cows, each,	\$1 25
Special rates for large number.	
Restaurants, apothecaries and photographers, \$8 00 to 12 00	
Stores or shops using moderate quantities of water,	5 00
Rooms used exclusively as offices,	2 50
Meter rates 2½ to 15 cents per 1000 gallons.	

Drinking fountains and watering places for public use, and hydrants or fixtures for the protection of the property of any private individuals against fire, provided and maintained at private expense by approval of the Commissioners, free.

For all other purposes not enumerated, special rates may be made by the Commissioners. Rates for temporary uses, or for periods of less than one year, may be charged at an advance of fifty to one hundred per cent. on the schedule of annual rates, according to the season and nature of the use.

The minimum rate for garden hose or lawn sprinkler is based upon the use of a one-fourth inch jet or its equivalent, not exceeding one hour each day for the season of four months from June to September, and no deduction will be made for partial discontinuance of use.

The rate for ornamental fountains is based upon the equivalent of a one-sixteenth inch jet at standard pressure averaging not exceeding four hours' daily use during the months of June to September, inclusive, and subject to such other restrictions as occasion may require, without deduction for partial discontinuance of use.

Approved and adopted by the Board of Water and Sewer Commissioners for the city of Keene, April 13, 1889.

## CONSUMPTION OF WATER.

The house to house inspection and the introduction of water meters has reduced the consumption of water about three hundred thousand gallons per twenty-four hours, leaving the average daily consumption about 1,300,000 gallons.

This could be reduced to 1,000,000 gallons daily by a more liberal use of meters and by the takers being more careful about their fixtures and waste.

Ninety-four leaks have been repaired during the past year. Five iron pipe joint leaks and one iron pipe burst, caused by the pipe freezing where it crosses the river over Island street bridge. This pipe has been relaid under the bridge on the bed of the river.

Eighty-eight leaks were in cement lined pipe, of which twenty-three were in pipes that have been replaced with cast iron.

Sixty-five leaks were in pipes that are now cement lined.

The cost for repairing the leaks for the year has averaged about fifteen dollars each, not including the damages paid for the West street leak.

Besides the leaks in the main pipes there have been a large number of service pipe connections rusted off which have to be repaired by the department.

The old flush hydrants have given considerable trouble. About all of them have had to be repaired.

The following streets have been changed from cement lined to cast iron pipe:—Winter street, Summer street, West street from Main to Island street, and from Park avenue to Tannery street, Tannery street, Winchester street from east of Madison court to Winchester court, Main street from West street to Emerald street, Emerald street from Main street to near Ralston street, and Washington street from Roxbury street to Mechanic street.

A new flume was built at Echo Lake and an iron gate set. A little work will have to be done another year which was prevented the past year by high water.

Nine water meters are in operation and are giving good satisfaction.

I would respectfully recommend the following changes be made the coming year :

1st. That the cement lined pipe in the following streets be changed to cast iron pipe :—Beaver street, from Washington street to Roxbury street via Lincoln street; Water street from Main street to Lincoln street; Main street from Emerald street to Appian Way; West street from Pearl street to Park avenue; Park avenue from West street to Chesterfield road; Colorado street from West street to Castle street; Castle street from Colorado street to School street; School street from Court street to West street; Cross street from Court street to Washington street; Washington street from Mechanic street to Washington avenue; Ralston street from Winchester street to Emerald street; Dunbar street from Main to connect with iron pipe now laid near the shoe shop.

2d. That in addition to the above the following streets be changed if possible :—Lincoln street from Roxbury street to Water street; Valley street from Water street to Church street; Union street from Elm street to Washington street; Spring street from Washington street to Franklin street; Franklin street from Roxbury street to Beaver street; Railroad street from Main street to Beaver Mills; Davis street from Main street to Ralston street.

3d. That enough meters be purchased to meter all the large consumers.

Respectfully submitted,

P. F. BABBIDGE,

Superintendent.

AN ORDINANCE to regulate the House Drainage and the Connections with the Public Sewers.

Be it ordained by the City Councils of the City of Keene, as follows :

SECTION 1. The general care and management of the new sewers now in process of construction by the Drainage Construction Company, in Keene, shall be vested in Board of Water Commissioners after the same shall have been completed and turned over to the city, agreeably to the contract between said company and the city, and their power shall be subject to any limitations and restrictions contained now or hereafter in any ordinance, regulation or order of the City Councils ; and the members of said board shall receive such compensation for their services as may be determined by the councils, but they shall incur no debt against the city, except for necessary repairs and care, unless ordered by the Board of Mayor and Aldermen.

SEC. 2. The person serving as Superintendent of Water Works shall also be Superintendent of Sewers, and he shall receive such additional compensation for his services as the councils may from time to time determine. Said Superintendent of Sewers shall have supervision of the construction and repair of all house-drainage, and after the completion of the original contract shall superintend all repairs of said sewers and their connections ; and he shall keep a description, with plans, of the sewer and connections and an account of all expenses in his department, all under the directions of the Water Commissioners.

SEC. 3. Before any house-drain shall have been connected with said sewers, the owner thereof, or applicant, shall pay to the Superintendent of Sewers the following fees, viz : For every house-drain, five dollars for the connection, and all persons who have made such connections, or shall have made them before the completion of said sewers, shall pay said fees ; and their connections, drains, etc., shall be subject to this ordinance in all respects, and the Superintendent of Sewers shall see that all such connections, drains, etc., conform to the

requirements of this ordinance. All moneys collected by the Superintendent of Sewers shall be paid to the City Treasurer twice a month, and the treasurer shall keep the same as a separate fund.

SEC. 4. No plumbing, house-drainage or connections shall be done or made in connection with the sewer by any person not licensed to do such work by the Board of Mayor and Aldermen, under a penalty of twenty dollars.

SEC. 5. The following regulations shall govern the planning of all house-drainage and house connections with sewers:

1. For each building there shall be a separate connection with the public sewer of four-inch salt-glazed vitrified pipe, which may extend from the sewer to within five feet of the house, and from thence the house-drain shall be of cast iron pipe, satisfactory to the Superintendent of Sewers, and shall extend upwards so that its upper terminus shall communicate directly with the open air in a manner which shall secure perfect ventilation. That portion of the soil or ventilating pipe above all fixtures may be of material and dimensions satisfactory to the Superintendent of Sewers.

2. No trap or any manner of obstruction to the free flow of air through the whole course of the drain and soil pipe will be allowed.

3. Every fixture shall be effectually trapped. No sink-drain pipe shall be more than one and one-fourth inches in diameter.

4. No privy-vault or cesspool shall be connected with the house-drain or sewer. When water-closets take their place, they shall be thoroughly cleaned out and filled with fresh, dry earth.

5. No subsoil drain shall be connected with the house-drain at any point, the house-drain being made and kept absolutely tight for the removal of foul water without the least opportunity for escape into the soil; and drain-pipe, waste-pipe or rain water conductors shall under no circumstances be connected with the house-drain.

6. Every water-closet shall be adequately flushed with water from a cistern above it; except that, where a cistern is liable to freeze, other methods may be permitted, providing that thorough flushing is secured. No closet shall be used which has a space between two water seals of more than two hundred inches capacity, or which has such space of any capacity, every part of the walls of which is not thoroughly flushed and washed at each use of the closet. Every water-closet apartment shall have a direct means of ventilation into the open air.

7. All soil and waste pipes shall be as direct as possible, and all parts of the work shall be so arranged that they may be at all times readily examined and repaired. Before the fixtures are placed in connection with the plumbing work of any house, and before the soil-pipe is connected with the drain, the outlet of the soil-pipe and all openings into it shall be hermetically sealed; the pipe shall then be filled with water to its top and every joint shall be carefully examined for leakage, and all leaks shall be securely closed before connections with the soil-pipe are made.

SEC. 6. All drain-laying, repairs and connections shall be made according to the following rules, and if any drain be constructed or repaired, or any excavations made for that purpose without a permit in writing from the Superintendent of Sewers, or in a mode different from that described herein, the person doing such work and the owner or agent directing the same shall respectively be liable to a penalty not exceeding twenty dollars, and the person doing such work shall also forfeit his license for a period of six months.

#### RULES FOR DRAIN-LAYING.

1. Before any connection with the public sewer is made, or any house drainage put in, or any repairs on them, a permit must first be obtained and the plan proposed approved by the Superintendent of Sewers.

2. No pipes or other materials for drains can be used till

they have been examined and approved by the Superintendent of Sewers. All the work must be inspected by him and done to his satisfaction.

3. In opening any street or public way, all materials must be placed where they will cause the least practicable inconvenience to the public, and the whole enclosed with sufficient barriers and properly lighted at night from the beginning to the end of the work.

4. No street shall be opened until the Y branch of the sewer and the entire course of the drain to be laid shall have been precisely staked by the Superintendent of Sewers.

5. The least inclination that can be allowed for house drains is 1 in 60, without the written permission of the Superintendent of Sewers.

6. In the "house connection" every joint shall be laid with gasket and cement, and bedded in hydraulic concrete at least four inches in depth. The house-drain and soil-pipe must be caulked with lead so as to be both water and air-tight. All joints must be satisfactory to Superintendent of Sewers.

7. The ends of all pipes not to be immediately connected are to be securely closed water-tight, with imperishable materials. The inside of every drain, after it is laid, must be left smooth and clean throughout its entire length, and true in line and grade.

8. The back-filling over drains, after they are laid, must be puddled or rammed, all water and gas pipes protected from injury or settling, and the surface of the street made good within forty-eight hours after the completion of that part of the drain lying within the public way.

SEC. 9. This ordinance is to take effect from its passage, with this reservation, to wit: That nothing in it shall be construed in a sense that will relieve the Joint Standing Committee on Sewers and Drains from the performance of certain specific duties in relation to the sewers during their construction, as provided in a joint resolution passed January 18, 1883, nor to authorize any connection with the main sewer until the

same is delivered to the city by the Drainage Construction Company as per terms of their contract.

Passed July 21, 1883.

---

The sewers are in good condition. The usual annual inspection was made, and very little trouble was found. If the people who use the sewers would be more careful and not put in whole newspapers, bottles, tin cans, dish rags, etc., there would be less trouble.

I wish to thank the Committee on Water Works and the Commissioners of Water Works and Sewers, for their kindness, courtesy, and advice.

Respectfully submitted,  
P. F. BABBIDGE,  
Superintendent.

## HIGHWAYS.

### REPORT OF SUPERINTENDENT.

*To His Honor the Mayor and City Councils:*

I herewith submit the following report as Superintendent of Highways in the City of Keene, for the year ending Dec. 1, 1890.

List of property in my possession:

6 horses,	\$1,000 00
8 harnesses,	200 00
3 carts,	225 00
1 wagon,	40 00
2 snow rollers,	150 00
2 iron rollers,	500 00
1 stone roller,	10 00
9 snow plows,	75 00
1 sled,	20 00
2 scrapers,	70 00
2 plows,	15 00
2 stone boats,	6 00
7 chains,	12 00
3 spread chains,	9 00
5 neck yokes,	9 00
6 halters,	6 00
12 blankets,	30 00
5 forks,	2 00
10 iron bars,	10 00

14 picks,	\$7 00
12 shovels,	3 00
3 stone pickers,	1 50
3 rakes,	1 50
3 hooks,	1 00
13 hammers,	20 00
2 tampers,	2 00
4 paving hammers,	4 00
60 hand drills,	18 00
Lot of shims and wedges,	2 00
12 jumper drills,	30 00
Set of fall blocks,	6 00
2 dump barrows,	2 00
3 saws,	1 00
6 bits and 1 stock,	1 00
1 pair pinchers,	50
2 augers,	1 00
5 hoes,	1 50
1 cant hook,	50
2 levels,	2 50
1 square,	50
Lot of rope,	1 00
6 snow shovels,	2 00
4 grates,	12 00
4 bog hoes,	1 50
2 bush scythes,	1 00
2 steel wedges,	1 00
6 points,	2 00
1 oil can,	1 00
3 brush hooks,	1 00
1 basket,	25
6 pails,	50
10 lanterns,	2 00
3 wrenches,	2 50
3 tons straw,	45 00
2 tons hay,	28 00

6,000 feet hemlock plank,	\$84 00
200 feet cross-walk stone,	75 00
Lot of paving stone,	15 00
110 feet 18-inch tile pipe,	20 00
70 feet mixed tile pipe,	10 00
	—
	\$2,799 25

There has been 3,180 feet of new drain pipe laid about the city this year. 1,450 feet of 8, 10 and 12-inch pipe on Court street, 450 feet 8-inch pipe on Summer street, 350 feet on Centre street; also 650 feet of 12-inch pipe on West street from the factory to Geo. Richards'.

There has been a large amount of work done on Court street, laying new pipe, putting in catch basins, and paving the gutters from the Square to School street.

Owing to laying concrete walks on Church street there had to be a large amount of work done, such as, cutting down the street, underdraining and curbing the sidewalks, at an expense of \$850.

There were repairs on Myrtle street, the street being raised and a new bridge with stone abutments built.

The north end of Lincoln street to George street, also, the north end of the new street from George street to Sullivan road have been built.

Owing to the laying of new water pipe on West street and the sandy condition of Park Avenue from West street to Chesterfield road, a greater expenditure has been necessary to restore them to a good condition than otherwise they would have received.

The grading of 6,228 yards for concreting cost \$923.34.

The old sewers have been thoroughly cleaned. Bridges, roads and sidewalks are in good condition.

The city has this year purchased a stone crusher, also a piece of land on Beech Hill, and located the crusher upon it, which is now ready for use in the spring.

For expenses on finance report I have deposited \$31.30 with City Treasurer, for work done and material sold.

Received for use of city pasture, \$90, which I deposited with City Treasurer. The fences have been repaired at the expense of the Highway Department.

Respectfully submitted,

E. A. NIMS,  
Superintendent of Highways.

## FIRE DEPARTMENT.

### REPORT OF THE CHIEF ENGINEER.

OFFICE OF BOARD OF ENGINEERS, }  
KEENE, N. H., DEC. 1, 1890. }

*To His Honor the Mayor and City Councils:*

Gentlemen.—In compliance with the city ordinance and in behalf of the Board of Engineers I present the following report of the Fire Department for the year ending Dec. 1, 1890.

The Department has responded to fourteen alarms in the city and one at Swansey Factory in the past year—subjoined are the details.

Total value of property destroyed,	\$8,539 39
Insurance paid on same,	<u>7,484 39</u>
Loss over insurance,	\$1,055 00

#### FIRE AND ALARMS, 1890.

December 18, box 9, 12.30 a. m., head of Central Square, wood frame building owned by Elbridge Clarke, occupied by John Carpenter, harness maker; O. P. Murdick, confectionery; C. W. Wilber, meat and provision dealer. Loss on building, \$100.00; insured. John Carpenter, loss on stock, \$239.39; insurance paid, \$239.39. O. P. Murdick, loss on stock, \$65.00; insurance paid, \$65.00. C. W. Wilber, loss on stock, \$225.00; insurance paid, \$175.00. Cause of fire unknown.

December 22, box 9, 9 a. m., dwelling, wood frame, 54 Washington street, owned by Mrs. J. H. Wellington, occupied by Geo. M. Rossman. Loss on building, \$25.00; insured. Rossman, loss on furniture, \$125.00; insured. Cause of fire, careless way of setting an iron fire place.

January 21, box 46, 10.41 p. m., ice house owned and occupied by J. E. Heald. Loss on building and stock, \$175; insurance paid, \$175.00. Cause of fire, boys smoking.

January 25, box 43, 3.45 p. m., saw mill owned and occupied by Faulkner & Colony, on West street. Loss on building and contents, \$60.00; no insurance. Cause of fire, caught by sparks from a locomotive on Cheshire R. R.

July 10, box 16, 11 a. m., wood dwelling house, corner of Marlboro' and Grove streets, owned and occupied by Patrick Ryan. Loss on building and furniture, \$400.00; insured. Cause of fire, defective chimney flue.

July 22, box 17, 5.02 p. m., barn corner of Kelleher and Baker streets, owned by Mrs. Timothy O'Connors. Loss, \$50.00; no insurance. Cause of fire, supposed to have been set by children playing with matches.

July 24, box 53, 7.35 p. m., foundry owned and occupied by Humphrey Machine Co. Loss on building, \$3,000.00; insurance paid, \$2,130.00. Loss on contents, \$3,000.00; insurance paid, \$3,000.00. Fire caught in the boiler room.

August 3, box 13, 1.30 p. m., wood frame tenement house on Harrison street, owned by Gleason and Sawyer, occupied by Fred H. Hill. Loss on building, \$25.00; insurance paid, \$25.00. Fire caught under the attic floor in the L, it was thought that rats must have got some matches in there.

August 10, box 14, 2.30 a. m., false alarm.

September 27, box 32, 7.10 a. m., chimney burning out in a building known as the Sun Tavern, up Court street. No loss.

October 7, box 32, 9.45 a. m., wood frame tenement house, corner of Elm and High streets, occupied by E. H. Stone. Loss on building, \$25.00; insured. Loss on contents, \$25.00; no insurance. Fire caused by using liquid stove blacking.

November 8, box 13, 7.35 p. m., dry house at Beaver Mills, owned and occupied by Beaver Mills Co. No loss of any account, thanks to a good live watchman. It was supposed that some of the help dropped some matches in the house while getting out stock that day.

November 12, box 14, 6.50 p. m., shoe shop on Dunbar street, owned and occupied by C. B. Lancaster & Co. Loss on building, none. Loss on stock by water from sprinklers, \$1,000.00; insurance paid, \$1,000.00. Cause of fire, a pot of cement ignited while warming it over a gas jet.

November 22, box 17, 4.15 p. m., pottery on Main street, owned by J. S. Taft & Co. Fire caught in the fire room, no loss, workmen put it out, a needless alarm.

The Department at the present time consists of five engineers; Steamer and Hose Co., 25 men; Deluge Hose Co., 20 men; Washington Hook and Ladder Co., 20 men. Total 70 men. During the past year our Department has been greatly strengthened by the addition of another steamer and five more men to the Steamer Co.

We have at the present time one of the best Departments of its size to be found in New England. It is composed of good men, men that you can depend on in time of need.

I would earnestly recommend the improvement of the quarters of the Hook and Ladder Co., also, the Deluge Hose Co., by building for them suitable quarters on Vernon street east of the Steamer building. It seems to me to be the proper place for our Department, location and all being taken into consideration. The city at the present time owns six good horses, and if the Department is located here all together, I think it is all they will require for fire purposes for years to come.

I am glad to report that our hydrant service has been improved in the past year by increasing the size of our water mains, and discarding the old flush hydrants for post hydrants of an improved pattern; and, gentlemen, I wish to call your attention to the need of a better water supply for the protection of Dunn & Salisbury's chair shop, the Fitchburg Railroad

shops, also, N. G. Woodbury's pail shops, for I think our past experience has taught us that it is our duty as well as to our interests that we should give our manufacturing interests suitable protection against fire.

We have at the present in the vicinity of about 165 hydrants, and I would recommend that in the future they be set nearer to each other, as a plenty of them does away with using so much hose and also aids the firemen in getting water to the fire quicker.

The electric alarm system has given general satisfaction in the past year, and the great amount of time it saves in locating the fires becomes more apparent each year; and I would recommend a further extension of the system by the addition of more boxes this year.

I think we are very much in need of a first class modern Hook and Ladder truck, as this is a very important piece of apparatus, at a large fire, especially.

#### INVENTORY OF PROPERTY.

Steamer, Button No. 3,	\$3,500 00
Steamer, Amoskeag No. 2,	4,000 00
Hand engine at Woodbury's mills,	350 00
Hand engine at South Keene,	350 00
Deluge hose carriage,	700 00
Phœnix hose carriage,	600 00
3 jumpers,	150 00
2 hook and ladder trucks, etc.,	1,200 00
Steamer hose carriage,	350 00
3 hose sleighs,	90 00
Cotton hose,	2,800 00
Fire alarms,	1,700 00
Engineers' lanterns,	25 00
6 hydrant gates,	20 00
1 Y coupling,	60 00
Rubber coats,	15 00
Uniforms of Steamer Co.,	225 00
Uniforms of Phœnix Hose Co.,	150 00

Uniforms Washington Hook & Ladder Co.,	\$190 00
Uniforms Deluge Hose Co.,	190 00
1 Siamese,	20 00
	<hr/>
	\$16,685 00

The expensés for the year will be found in the report of the Committee on Finance.

---

### FIRE ALARM TELEGRAPH.

Location of boxes and instructions to firemen and officers.

#### LOCATION OF BOXES.

- Box 6, Central telephone office.
- Box 9, Central Square, on city hall.
- Box 13, Beaver Mills.
- Box 14, Water street, corner Grove street.
- Box 16, Main street, corner Marlboro' street.
- Box 17, Main street, corner Elliot street.
- Box 23, Roxbury street, corner Beech street.
- Box 24, Beaver street, corner Dover street.
- Box 32, Elm street, corner High street.
- Box 33, Washington street, corner Gilsum street.
- Box 37, Mechanic street, corner Pleasant street.
- Box 42, West street, corner School street.
- Box 43, West street, near Faulkner & Colony's office.
- Box 46, Court street, corner School street.
- Box 52, Fitchburg Railroad repair shop.
- Box 53, Ralston street, corner Davis street.
- Box 72, West Keene.

Each box when pulled strikes its number on all the bells in the circuit and repeats four rounds if properly pulled in. Whenever a box alarm is sounded firemen will proceed directly to the box pulled in, unless sooner ascertaining the exact location of the fire.

## SIGNALS.

The following signals were adopted by the Board of Engineers, December 2, 1887:

1. The Superintendent has the right to strike one blow upon the bells at any time, to test the circuit; also to ring in one round from any box, preceded by a single blow, exactly five minutes after the noon stroke, on Saturdays, for the purpose of testing the boxes.

2. The signal 22 repeated on the bells is to call the firemen to their houses for further orders.

3. Two blows struck upon the bells after a fire alarm is a signal to "limber up," and recalls all firemen and apparatus to the engine houses unless specially detailed for duty.

4. In case of a serious fire the Engineers may cause a second alarm to be sounded from the nearest box. A second alarm is given by striking ten blows followed by the box number.

5. As box 9, which is located on city hall, is still likely to be used for a general alarm, and to be pulled for a fire which is *not* in or near the Square, the Engineers will ring in a second alarm of four full rounds from this box, if there is a fire of any magnitude near the Square.

6. The old alarm on city hall will only be rung between 9 p. m. and 6 a. m. except in case of serious fire.

7. Arrangements have been made with the Beaver Mills Co., and alarms of fire will be given on their whistle same as by the bells.

## GENERAL RULES.

Firemen as well as citizens should familiarize themselves with the following rules for giving alarms of fire.

1. Never pull a box for a fire seen at a distance.

2. Never pull a box while the alarm bells are ringing, nor until a box has completed its four rounds. Two boxes cannot operate together and neither will work if two are pulled at the same time. Never pull two alarms or two

boxes for the same fire. The Engineers will sound second alarms if necessary.

3. To ring in an alarm, break the glass in the key box and open the outside box door with the key. Pull down the brass crank, seen inside, *till it stops*, then let go. Then let the box alone. The clock will be seen or heard to be running, and the alarm will follow in half a minute or so. Close the box and remove the key.

4. Remember that the firemen will come directly to the box which has been pulled. See that they are directed to the fire, if necessary.

#### TELEPHONE ALARMS.

Box 6, which is located in the central telephone office, is the box which will be pulled to sound all alarms of fire sent in by telephone. When this box is pulled, firemen and all others can ascertain the location of the fire from the telephone office.

Do not send a telephone alarm if there is an alarm box within reasonable distance. Box alarms are always the surest and best. Telephones can seldom be used during thunder showers; the boxes can always be used.

To send in a telephone alarm, call the central office. Tell the operator slowly first the ward, then the street and house where the fire is situated. The operator will repeat, "Fire, ward so and so, such street or house." Answer, "All right," if you are correctly understood. If the fire is in South Keene or West Keene, give the fact instead of the ward number. The operator will then leave the telephone and sound the alarm.

#### CONCLUSION.

In closing my report of the year I will take this opportunity, in behalf of the Board of Engineers and myself, to extend our thanks to all members of the City Government, who have in any way rendered the Department assistance during the past year.

To Superintendent Babbidge and the Commissioners of the Water Board, our sincere thanks are due for prompt information of changes in system and for the many courtesies other ways rendered.

To my Assistant Engineers, and to all the officers and members of the Fire Department, my sincere and heartfelt thanks are due for their unselfish support, excellent deportment, devotion to duty, and for their gentlemanly zeal and efficiency, as manifested on all occasions; and may a good feeling of harmony be maintained and strengthened for years to come, and may they never forget that a good, true fireman is always a gentleman.

Respectfully submitted,

HENRY H. HAINES,

Chief Engineer.

Keene, December 16, 1890.

REPORT OF  
SUPERINTENDENT OF FIRE ALARM.

*To His Honor the Mayor and City Councils:*

I hereby present the following report as Superintendent of Electric Fire Alarm.

There has been during the year fourteen alarms, one false, and one from box 13 that did not work, owing to the grounding the wires coming in contact with other wires.

Our wires are in better condition than at any time in the past three years, owing to a thorough trimming of trees where they came in contact with the wires, which has reduced the cost of maintenance of batteries.

Our battery room is very unsatisfactory, as it is impossible to maintain an even temperature there and adds greatly to the cost of battery material.

The gongs and strikers are in good condition, but the boxes should be returned to the manufacturers to have parts substituted and late improvements added.

Respectfully submitted,

G. M. ROSSMAN,

Superintendent of Fire Alarm.

## PUBLIC LIBRARY.

---

*To the Honorable Board of Mayor and Aldermen:*

The Trustees of the Keene Public Library submit here-with their thirteenth annual report:

### BOOK AND REPAIR ACCOUNT.

DR.

To balance from 1889, unexpended appro-

priation,	\$57 80
appropriation for 1890,	500 00
amount received from fines and cata-	

logues,

57 45

\$615 25

CR.

By amount paid for books and magazines, \$321 51

amount paid for repairs on books, 70 99

balance to new account, 222 75

\$615 25

### ORDINARY EXPENSE ACCOUNT.

DR.

To balance from 1889, unexpended appro-

priation,	\$119 18
appropriation for 1890,	500 00

\$619 18

	CR.
By salary of Librarian,	\$300 00
amount paid Assistant Librarian,	70 18
amount paid gas bills,	44 00
amount paid insurance,	45 67
amount paid copying catalogues and printing,	32 79
amount paid for library cases,	43 35
amount paid for supplies,	29 14
amount paid for cleaning and incidentals,	13 25
balance to new account,	40 80
	\$619 18
Number of books added to the library,	497
Number of books added by purchase,	174
Number of books added by gift,	323
Number of books lost,	2
Number of books discarded,	187
Number of books now in the library,	7,485
Number of cards issued,	234
Largest number of books drawn in one month (March),	2,455
Largest number of books drawn in one day (March 1),	219
Whole number of volumes issued for the year,	20,396

The following have given books to the Public Library during the past year and are gratefully named: F. L. Pope, W. Woodruff, Miss Merrill, Miss Ingersoll, Mrs. Dorr, also the U. S. Government and the State of New Hampshire. "The Nation" has been received for the reading room by the kindness of Miss Dinsmoor, also the N. H. Sentinel and the Cheshire Republican from their proprietors.

The Ingersoll donation of 250 volumes is a valuable addition to our literary treasures.

Mrs. Dorr has handsomely supplemented former similar gifts by a donation of 49 well bound volumes of "Littell's Living Age." This valuable publication comes now so near to completeness upon our shelves that we hope that the few breaks may be filled and the series made entire.

Fewer books have been added to the library by purchase this year than usual, owing to the larger number accruing by donation and the impossibility of shelving them. New cases and a re-arrangement of space give now better facilities for new books. These opportunities will soon be utilized.

The Trustees following the lead of the larger and most successful lending libraries of the country have, experimentally, adopted the plan of sending out the books without the extra paper covers. We believe that the increased pleasure which comes from using the books in their most attractive dress will instinctively lead the patrons of the library to treat them with additional care and respect.

The recent noble benefaction of Mr. Coolidge, and the acquisition by the city of the Symonds legacy, both designed for a new Public Library building and its equipment, are regarded by the public with satisfaction and have undoubtedly incited an exceptional interest in the library prospects.

Gifts have been the source of the principal libraries which have ever or anywhere been found. It is not easy to conceive that a benevolent and enlightened citizen can leave a more evidently useful monument than a Public Library building, or do a more popular act than to make a donation of books to a Public Library, or secure a more pleasing or lasting memorial not only to his own times but to future ages, than an endowment for the continuous purchase of books, on which his name might be inscribed as a benefactor.

The Trustees cannot close this report without expressing their sense of the intelligent, conscientious and faithful work done for the Library by Mrs. Converse, the Librarian. Without her interested co-operation the best devices of the Trustees would be of no effect.

M. R. OSBORNE.  
L. B. BALDWIN.  
KATE L. TILDEN.  
CHARLES H. HERSEY.  
MARY B. DINSMOOR.  
WM. P. CHAMBERLAIN.

## REPORT OF CITY CLERK.

---

*To His Honor the Mayor and gentlemen of the City Councils:*

I herewith submit the following report of my receipts for the year ending December 1, 1890.

Rent of Stores in City Hall building,	\$1,519 05
Knowlton & Stone, rent of land,	20 00
Concrete assessments, 1889,	754 70
Billiard licenses,	109 99
Circus licenses,	53 00
Town of Marlboro', services at fire, 1889,	4 00
E. Munsell, use of Steamer and Hose,	15 00

## REPORT OF CITY MESSENGER.

---

*To the Honorable City Councils:*

I have the honor to submit my report as City Messenger from December 1, 1889, to January 3, 1890:

Received for rent of City Hall,	\$171 00
Deposited with City Treasurer,	\$171 00

E. O. KEITH,  
City Messenger.

## REPORT OF CITY MESSENGER.

*To the Honorable Mayor and City Councils:*

I have the honor to submit my report as City Messenger from Jan. 7, 1890, to Dec. 1, 1890.

## RECEIVED FOR RENT OF CITY HALL.

January,	\$34 00
February,	115 50
March,	87 00
April,	174 00
May,	137 00
June,	110 00
September,	100 00
October,	184 00
November,	126 00
Total,	\$1,067 50
Total paid to Treasurer,	\$1,067 50

Respectfully submitted,

A. G. HENSHAW,

City Messenger.

Keene, Dec. 8, 1890.

## REPORT OF CITY MARSHAL.

*To the Honorable Board of Mayor and Aldermen:*

GENTLEMEN.—I respectfully present the following report of the doings of the Police Department for the year ending November 30, 1890.

### ORGANIZATION.

The police force of Keene at the date of this report consists of the following officers :

City Marshal—E. R. Locke.

Night Watchman—A. W. Hunnewell.

The following named special officers are subject to call :

E. B. Chapman.	Fred H. Wilson.
William H. Reyoun.	A. F. Sprague.
Henry H. Haines.	Frank W. Nims.
F. A. Harrington.	Jas. H. Smith.
W. S. Tuttle.	Charles Wright.
Reuben Ray.	Thomas W. Blakey.
Ralph J. Holt.	W. R. Scripture.
S. O. Gates.	J. S. Richardson.
Amasa Plastridge.	Frank Harmon.
Charles H. Spofford.	W. H. Buckminster.
A. G. Henshaw.	Milan K. Burt.
Geo. G. Wheelock.	Wyman Lawrence.
Columbus A. Mason.	Charles A. Chapin.
John King.	

Whole number of arrests has been :

129

Offences for which arrests have been made comprise :

Assault,

5

Breaking, entering and safe blowing,	2
Brawl,	4
Drunkenness,	110
Driving horse beyond point for which hired,	2
Malicious mischief,	1
Larceny,	2
Obstructing officer,	1
Receiving stolen goods,	1
Threatening,	1
 Total,	 129

Number of persons applying for food and lodging at the station house has been 131.

The following are a portion of the miscellaneous duties attended to during the year :

Buildings found open in night-time and secured,	29
Lights left burning by mistake and reported,	18
Parties notified to remove snow from buildings,	16
Parties notified to remove snow from sidewalks,	31
Fire alarms given,	2
Nuisances reported,	6
Nuisances suppressed,	34
Value of stolen goods recovered,	\$960
Value of goods found exposed and returned,	\$58

Cost of police service in Keene, as compared with other cities in New Hampshire :

Police service costs per capita the city of Portsmouth, \$.89 38-100; Manchester, \$.86 78-100; Dover, \$.58 25-100; Nashua, \$.48 21-100; Concord, \$.40 90-100; while that of Keene is only \$.23 35-100.

The working force although smaller in proportion to the population, the preservation of order and the suppression of crime will compare favorably with any city.

During the year no general disturbance has occurred, and although several offences against property have been committed, the Department has been quite successful in recovering both lost and stolen property. And may I not be allowed to

congratulate our law abiding citizens, my officers and myself, upon the flattering exhibit of our labors in this branch of our Department?

I desire to express my thanks to all the members of the Department for the prompt and faithful manner in which, on all occasions, they have performed their duties.

In conclusion I desire to express my thanks to His Honor the Mayor for his suggestions, council and personal favors; also, to the Board of Aldermen, Common Council and members of the various departments of the city government, for their courtesy and kindness extended to me during the year.

I have the honor to be your obedient servant,

E. R. LOCKE,

City Marshal.

## REPORT OF CITY SOLICITOR.

---

*To the Honorable Mayor and City Councils:*

The actions pending against the city are as follows, viz. :

*Josiah T. Colony vs. Keene.* This is a proceeding to recover damages for lowering the sidewalk in front of the plaintiff's house on Roxbury street. This matter is referred to the County Commissioners.

*Silas Hardy vs. Keene.* This is a proceeding in equity to foreclose a mortgage upon land in Roxbury which the city purchased for water purposes. The city holds an indemnity from the Keene National Bank against this incumbrance. This case was tried before Judge Allen since the regular session of the court in October, and the court has decided the case for the defendant. It is possible that the plaintiff may desire to transfer to the law term some question of law, so the case at the writing of this report is not finally concluded.

*Mary E. Jillson vs. Keene.* This is an action entered at the April term last to recover supposed damages on a supposed highway. At the April term a question of law was raised as to the said supposed highway being legally laid out, for otherwise no damages, if any were sustained, could be recovered. The case was reserved. The plaintiff's counsel took the case drawn by the Chief Justice, and no one has been able to find it since. For this reason the defendant's counsel moved to dismiss the action. The matter now rests in the hands of Judge Allen, and he will probably make some order in regard to it before a great while.

*John Humphrey vs. Keene.* This is an action to recover, as it is claimed, for the use of a derrick.

These are all the actions now pending against the city.

The actions of *Warren vs. Keene*, *Hart vs. Keene*, *Joslin vs. Keene*, and two actions of *Keene vs. Darling* have all been disposed of either by trial or under the direction of the city by agreement.

DON H. WOODWARD,  
City Solicitor.

## REPORT OF JUSTICE OF POLICE COURT.

---

*To the Honorable Board of Mayor and Aldermen:*

The Justice of the Police Court submits the following report for the year ending December 1, 1890.

Number of civil cases entered, 12; number of complaints entered, 186; for the following causes, to wit:

Assaults,	9
Being drunk,	128
Brawl,	4
Breaking and entering,	3
Being common drunkard,	4
Driving horse beyond distance for which it was hired,	1
Fornication,	2
Larceny,	8
Malicious mischief,	1
Murder,	1
Obstructing officer,	1
Rape,	1
Receiving stolen goods,	1
To find sureties of the peace,	3
Violating liquor law,	19

These complaints were disposed of as follows:

Cases in which fines were imposed,	140
Persons sent to House of Correction,	14
" sent to Industrial School,	1
" tried and acquitted,	5
" held to find sureties of the peace,	3
" held to answer to Supreme Court,	7
" not prosecuted to judgment,	13
" who appealed to Supreme Court,	2

Persons who paid fines,	113
Amount of fines imposed by Justice,	\$655 00
"    fines imposed by Special Justice,	12 00
"    fines paid to Justice for city,	644 00
"    fines paid to Special Justice for city,	4 00
Number of persons committed for non-payment of fines,	21

L. W. HOLMES, Justice.

Keene, December 1, 1890.

## REPORT OF OVERSEER OF POOR.

---

*To the Honorable City Councils:*

	<hr/>
	\$1,793.94

F. O. NIMS,  
Overseer of Poor.

## REPORT OF CITY PHYSICIAN.

*To the Honorable City Councils:*

I respectfully submit my first annual report as City Physician.

Owing to the epidemic of diphtheria, the need of my services was much greater in the months of March, April and May than at any other time during my term of office. Six cases of diphtheria have appeared among the city poor, from which resulted two deaths. The whole number of professional calls made was 76, distributed as follows: Jan., 2; Feb., 1; Mar., 3; April, 6; May, 48; June, 3; July, 6; Aug., 1; Sept., 0; Oct., 2; Nov., 3; Dec. 1. Number of office visits, 15; deaths, 2.

Excluding the cases of diphtheria, the health of the city poor has been exceptionally good, the remaining cases being uniformly of a chronic nature. Great credit is due to the members of the Board of Health Commissioners, whose vigilance and untiring endeavors done much to control and subdue the epidemic. Much credit is also due to the Overseer of the Poor in responding quickly to the call of the needy sick for medicine and other comforts when required.

Respectfully,

WM. E. MALONEY,

City Physician.

## REPORT OF HEALTH COMMISSIONERS.

---

*To the Honorable Mayor and City Councils:*

The Board of Health has examined some matters of complaint where the cause was trivial, and in some instances where no cause for complaint existed. In these instances no record has been kept in regard to them. In cases where some action was required to be taken a record of them has been kept. This record simply sets forth in brief how each case has been disposed of and what action the Board has taken.

Whole number of complaints and nuisances examined and of which we have kept a record during the year, are

101

Number of cases satisfactorily disposed of and the cause of complaint abated,

94

Number of cases where the abatement is not yet completed, but being completed by connecting with the public sewer,

4

Number of cases where connections with public sewer has not been made by reason of sale of property, death, high water, etc.,

3

---

101

Although the number of cases examined and causes of complaint abated are in excess of those of last year, yet the sanitary condition of the city is much better. Many of the nuisances abated the present year existed last year and before. The Board can proceed to have connections made with the public sewer only as fast as people can get their plumbing and work done, and at times it has been necessary to give more time for this purpose. The Board has tried to be

reasonable and judicious in its requests, yet has strictly insisted upon the abatement of nuisances where they have existed, for no other course could be permitted, especially when diphtheria as a contagious disease was afflicting so many of our people. Only one case has been brought before the court for neglect, and in that case the respondent paid the costs with the understanding that no fine should be imposed, if he, with reasonable despatch, connected his premises with the public sewer.

There have been reported to the Board of Health during the present year cases of contagions diseases, as follows:

	Diphtheria.	Typhoid Fever.	Scarlet Fever.
January,	18		1
February,	8		
March,	2		
April,	1		1
May,	11		
June,	18		
July,	3		
August,	5		
September,	10		
October,	2	2	
November,	1	1	
Dec. 8 (date of this report), o			
	—	—	—
	79	4	1

The location of the disease of diphtheria has been generally in streets where there is no sewer, or in residences where there was no connection with the public sewer. About one-half of the cases for the year occurred in the months of May, June and September, and taking these months as a sample of the whole, the location of the thirty-nine cases in those months will be found as follows:

Marlboro' st., east of Beaver brook,	No sewer.	10
West st., west of the bridge,	"	4
West st., east of the bridge,	Sewer, and connected.	1
Howard st.,	No sewer connections.	1
Church st.,	"	2

Winchester st. and Winchester st. court,	No sewer connections.	6
Green st.,	Sewer connections; bad sanitary conditions.	2
Grove st.,	" " "	1
Pearl st.,	No sewer connections.	5
Court st., north of sun tavern,	"	3
Page st.,	"	1
Red Row,	"	3
		39

From this statement, if from nothing else, the conclusion is that every residence which can be, should be connected with the public sewer as a matter of sanitation. The number of cases of diphtheria last year was 112, and this year, 79. The number of cases in October last year was 48, and in October this year, 2. In November last year, 27, and in November this year, 1. We think that this abatement of the disease is largely owing to what our people have done to make their dwellings more sanitary; and if the Board of Health have in some degree stimulated this result they will feel the greatest pleasure that seems to be connected with the office.

DON H. WOODWARD,

H. K. FAULKNER,

GEO. W. FLAGG,

Board of Health.

REPORT OF  
SUPERINTENDENT OF CEMETERIES.

---

*To the Board of Mayor and Aldermen:*

The following is an account of the receipts and expenditures for the year ending Dec. 16, 1890.

RECEIPTS.

Received for lots,	\$945 00
" C. S. Faulkner fund,	125 00
" Salma Hale fund,	10 00
" Tarbel Russell fund,	15 18
" Rufus Gates fund,	1 67
" for sand and loam sold,	43 00
" for stone posts,	10 50
" for grass,	10 00
" for Bank to balance,	248 52
	<hr/>
	\$1,408 87
Amount in Bank Dec. 16, 1890,	\$482 36
Less amount drawn to balance,	248 52
	<hr/>
	\$233 84
Remaining in Bank Dec. 16, 1890,	233 84

EXPENDITURES.

Paid labor, at Woodland and Greenlawn, Richardson, Donahue, Mason, Ry-	
an, Livermore, etc.,	\$1,053 11
E. W. Greenwood, bill,	15 00
A. W. Eastman, bill stone work,	35 00
Davis, Wright & Co., bill,	4 10

Spencer & Co., bill,	\$14 00
Skinner, bill powder,	19 11
Knowlton & Stone,	11 75
H. S. Black, care Cemetery, west part,	2 00
West Keene Cemetery, labor,	174 75
S. Wadsworth, surveying,	26 00
T. A. Hastings, bill lumber,	29 05
J. M. Reed, for fence posts,	25 00
	—————
	\$1,408 87

In closing my report for the year, I would say that I have built most of the roads surveyed in Woodland annex, and all of the culverts are built of stone, so that they will not have to be repaired for years. I have also expended quite a sum in the Cemetery at West Keene all of which will show for itself.

N. G. GURNSEY,  
Superintendent.

## REPORT OF CITY LIQUOR AGENT.

*To the Honorable Board of Mayor and Aldermen:*

The Agent for the sale of liquors submits the following report for the year ending Dec. 1, 1890.

Reported on hand Nov. 30, 1889.

14 gallons alcohol.

Subscribed and sworn to before me,

J. P. WELLMAN,  
Justice of the Peace.

## REPORT OF PARK COMMISSIONER.

*To the City Councils:*

The amount appropriated for parks for the year 1890 was one hundred dollars. I have expended, mainly for nursery trees and shrubs, \$64.49, leaving unexpended, \$35.51. The committee appointed to construct a pavilion in Wheelock Park have attended to that duty, and the building is now nearly completed. The committee were of one mind as to keeping within the limits of the five hundred dollars at their disposal. The contract with Mr. Spaulding was for something less than that sum. The building, though not large, is thought to be sufficient for the purposes intended.

In large portions of Wheelock Park pine trees have sprung up like grass — unless mowed once in four or five years they will occupy the whole ground. I have continued to plant large numbers of red and white oaks and other trees suited to dry soils. Dry seasons retard their growth, and insect enemies abound. The grubs of a beetle kill the leading shoots of the pine tree. The leaf-cutter bees, though unseen, carry off by bits the first tender leaves of seedling trees, often killing the young oak and chestnut. Children learn with their eyes, and it has been thought that trees in public grounds should be chosen with some reference to their educational value. With this view I have planted many kinds, among others seven species of oak; in the Children's Wood and City Park I have planted rare ferns and flowers and nut-bearing trees. For future reference I subjoin a list of shrubs and trees planted the past season in one or the other place mentioned.

For boundary hedges I have chosen pines, hemlocks and honey locusts. For ornamental trees, pink-flowering and double horse chestnuts, scarlet hawthorns, tulip trees, Bolleana

poplars, nettle trees, hornbeams, willows, English, black, scarlet and mossy-cup oaks. For evergreens, white, Norway and Colorado spruces, Scotch pines, the Douglas fir and *picea concolor*. For shrubs I have gathered the native viburnums, mountain hollies, hazels, black alders and *cornus*. I am indebted to friends for white and Persian lilacs, syringas, Japan quinces, spireas, honeysuckles, and Russian mulberries. I have procured from nurseries golden elders, pepper bush, flowering currant, hydrangeas, white fringe, forsythia, callunas, altheas and barberries. The Douglas fir is expected to live eight hundred years; the scarlet thorne and pink horse chestnut in flowering time are the most attractive trees in the Boston Public Garden.

G. A. WHEELOCK,  
Park Commissioner.

## REPORT OF CITY COLLECTOR.

## REPORT FOR 1887 AND 1888.

Reported uncollected Dec. 9, 1889,	\$4,000 00
Deposited to Dec. 1, 1890,	\$336 00
Deposited after Dec. 1 to 16,	200 00
Abatements Dec., 1890,	809 02
	\$1,345 02
Balance due,	\$2,654 98

Respectfully submitted,

SAMUEL O. GATES,

Collector.

Keene, December 16, 1890.

## REPORT OF CITY COLLECTOR.

*To the Honorable Board of Mayor and Aldermen:*  
I herewith submit the following report.

### WATER COLLECTIONS FOR 1890.

Amount 41st assessment,	\$8,182 78
Amount 42d assessment,	8,857 37
Amount arrears,	632 66
